AP Test Instructions for Students

Students who have AP tests should adhere to the following guidelines:

- 1. Comply with the assigned dates of your tests and arrive to school at least HALF AN HOUR prior to the test time.**
- 2. Entrance will be from gate no. 4 for males and the main gate (General Administration) for females.**
- 3. The time of the test varies between 2 and 3 hours.**

What Students Should and Should Not Bring to the Exam Room

It's important that students bring only the items permitted in the exam room. A student observed with any of the prohibited items during testing or breaks may be dismissed from the exam, the device may be confiscated, the student's score may be canceled, and no retest may be permitted. This year, students should also understand your school's health and safety protocol for the exam room. Students may bring hand sanitizer to the room, but it must be placed under their desk, not on their desk. Students

should use any other PPE (such as masks) following your school's current requirements.

Bring to the Exam Room

- Two sharpened No. 2 pencils (with erasers) for completing multiple-choice answer sheets. f
- Two pens with black or dark blue ink only, for completing areas on the exam booklet covers and for free-response questions in most exams. f
- A watch (in case the exam room doesn't have a clock that can be easily seen). f
- Up to two calculators with the necessary capabilities if taking an AP Biology, Calculus, Chemistry, Environmental Science, Physics, or Statistics Exam. Instruct students to visit apstudents.org/courses and click on the link for their course for the specific calculator policy. f
