Dear Parents: -

- We would like to notify you that the final exams will start on Wednesday 17/11 /2021; dates and times will be as assigned on the final exam requirements sheet.
- Switching on cameras is obligatory since the exam will not start unless the cameras are on.
- Be advised that some days you will have 2 exams.
- Students must Submit the test answers within the time limit that is run by the timer; otherwise, it will be canceled.
- In case of any technical problems, kindly contact the IT department.

Do	Do Not
Carefully read the instructions of the requirements.	Don't panic! If you have done the technical preparations, you will be fine.
Make sure you have a valid connection to the internet at least 30 minutes before the test starts.	Do not have any other device(s) in your exam room.
Ensure that your room is quiet and has no distractions.	Parents are not advised to help their kids in answering the test questions.
Make sure you start the exam at the exact time so you would take full advantage of the time.	Do not open a new tab or close your exam tab.
Use the platforms "Google Chrome" or "Firefox" to do the exams.	No make-up exams for any missed exams.
Assign "English" as the language of your (Viewclass) account, except for the Arabic Language exams.	Don't forget to click submit. You can submit the exam only once.
Choose your answers very carefully, and solve all questions of the exam.
